

FALL CLASSES

“HOW TO EXERCISE YOUR PERSONAL POWER”

Instructors; Rev. Ginny Roll and Rev. Joyce Kramer

Sunday Afternoons: 12:15 – 1:30 pm

September 13th thru October 18th

One of Unity's main differences from our more traditional Christian friends is the way we understand the idea of Christ. Christ defined by Unity is the individualized expression of God as you and me. Once we begin to understand this idea and activate into our life, then the desire for us to express God in all that we do becomes greater and greater within our being. We begin to realize that everything we need to live and create a “God Presence” life is available to us now. This is our Personal Power!

This class will present ideas that encourage us to use our personal power in our lives and in the life of Unity Church of Tidewater.

- ❖ Be inspired to become more serious about your study of Truth and how to use Truth in your daily life!
- ❖ Develop an easy and proficient way of self-expression and build confidence in all areas of your life!
- ❖ Strengthen our unity of purpose, spirit of oneness and cooperation by speaking more freely, easily and sincerely to one another.
- ❖ Lay a foundation for those who want to serve Unity Church of Tidewater in various volunteer opportunities!

“A BIBLE STUDY SERIES”

Instructor: Rev Denise Creech

Wednesday Evenings: 7 pm – 8 pm

(See below)

Join in on Wednesdays nights as we read and study the four Gospels in the New Testament. Each of the Gospels will be read in chronological order, which will enable us to see the emergence and development of earliest Christianity. The classes follow a historical and metaphysical approach. Historically, we will explore how ideas and stories of the Gospels change over time. Using two books by Charles Fillmore: *The Metaphysical Bible Dictionary* and *The Revealing Word*, the class will look at the Gospels' metaphysical meanings in order to bring about positive change in our lives. The Gospels of Luke and John will be studied in 2016. For personal inspiration on the New Testament you may want to get the book: *Your Hope of Glory* by Elizabeth Sand Turner. We will have these books for the Book Store.

Bring your Bible and join in as we gain new insight into each Gospel; the authors, the message and the people.
